

Steps for Getting Started with CyberStart Game and/or Essentials

1. Go to <https://hub.joincyberstart.com/sign-up>
2. You **must** use an email address that can receive a verification message from *support@joincyberstart.com*
3. You'll be asked to create a password for the CyberStart site. Password MUST include:
 - 10+ characters
 - uppercase and lowercase letters
 - numbers
 - special characters like @ ! #

Tip: the letters will turn green when the password meets the criteria

4. Enter the provided registration token code
5. Click Sign up

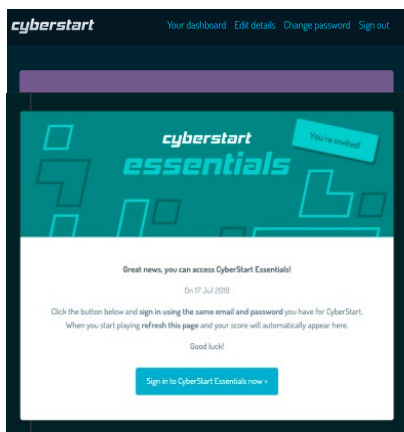

6. Go to your email inbox, find the message from CyberStart

Hint: If you have trouble finding it, it may be in the Spam or Promotions folder.

In the message, click the Verify My Email button or link.

The screenshot shows the CyberStart website header with the logo. Below it is a form titled 'Date of birth' with three input fields: a number '1', a month dropdown '1 - Jan', and a year '1983'. Below that is a section 'I identify my gender as' with a dropdown menu showing 'Prefer not to disclose'. At the bottom of the form is a blue button labeled 'Save additional info'.

- Once back on the CyberStart site, enter the additional demographic information when prompted.

- Once logged in, you will be on your CyberStart Dashboard. The Dashboard provides license expiration date, progress and score.

Scroll down to find **CyberStart Essentials or Game**

The screenshot shows the 'cyberstart essentials' sign-in page. It features a white sign-in form on a dark teal background. The form has the title 'Sign in' and two input fields: 'Email address' and 'Password'. Below the input fields is a blue button labeled 'Sign in'. At the bottom of the form is a link that says 'Forgot password?'.

- Sign in to CyberStart Essentials or Game using the email address and password that you used to log in to the main CyberStart website.
